I strongly oppose the new jail in the Smith Cove area. Too close to residential, too close to the new cruise terminal, too close to public parks (golf course and P-patch). It needs to be in an industrial area like south seattle or harbor island. Outrageous.

I went to the Magnolia Community Club meeting several months ago about this plan and believe that the city would be better served to pursue a new contract with King County. The Interbay jail site is inappropriate for many reasons. In light of the announcement of a tunnel option to replace the viaduct that has no exits to the Westside, the proposed jail site at Interbay is now even more undesirable from an inmate transport perspective.

Further, the main buslines that travel 15th Ave, are the same ones the highschool students must use to get to and from Ballard High or the Center School.
