No jail in Totem Lake

Name: Maria Gormley
City: Kirkland

As a business owner in Totem Lake, Kirkland we are less than 1/8th of a mile from the suggested new site for a jail. Inserting a jail system would harm my business and the image established in this area. Take Totem Lake off your list or face the risk of hurting hundreds of local business owners who contribute everyday by paying high taxes to assist in the operation of King County. Moreover, take into account the number of auto repair shops, car dealerships that surround this area and the potential negative impact these jail characters might have upon the city. Take into account the safety of school children and the kinder care right across the street.

NO TOTEM LAKE JAIL!!
