I do not want a jail this close to my home. I live three blocks from the proposed site. This community is a 95% residential area. There are schools, school bus stops, churches, and daycare facilities within a few hundred feet of the proposed jail. This site is not the number one preferred site according to the site survey. I strongly urge you to find a more suitable location for this jail.

NO to the jail. It's simply irresponsible to build a jail in a residential neighborhood, particular one that has no dedicated police force.
