no question at this time.. please QUIT TO INCARCERATE "low-level" and "lowest I hope!
felony non-violent offender..probation have been help in the past.. and still friends with people
who attended court & hearings.. more than one time.. and patient with your "family & gay
family" values.. please keep faith with people who co-operated every time with Church values
about drugs & pot.. people, like myself, who WON'T USE NEEDLES and DON'T ABUSE
STEROIDS, the most "vicious" of drugs.. I would never mug some one or threaten to take their
life, freedom of decision for drug money and/or drugs, or power over the victim.. I know how it
feels to survive a mugging.. because the CHURCH hath influence, in society.. is "civilized."

with in friendship,
Dustin Collings
