PLEASE DO NOT build a jail in Totem Lake area (Unincorporated King County, 13225 N.E. 12 6th Pl.)!!!There are schools within a mile of this proposed site, and a park just up the street from there. Crazy!! Why build it in a residential area?!Bellevue seems to be the only site that does not have residential areas around it. Building a jail that has houses within less than 1/2 mile beside it should be a major factor in your decision!

Sincerely,

Sandra Virtue
